Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Landscape Scale Restoration Program in the Fiscal Year 2023 Appropriations bill. The entity to receive this project is the Department of Land and Natural Resources located at 1151 Punchbowl St., Rm. 325, Honolulu, HI, 96813. This funding will be used to construct a deer-proof fence to help restore native vegetation; remove invasive plant species; improve the health of critically endangered species found in this region; and construct firebreaks in strategic locations critical for protecting both forests and residential areas in East Moloka'i.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kaialii Kahele  
Member of Congress
