Dear Chair DeLauro and Ranking Member Granger

I am requesting funding for MA'O Organic Farms in fiscal year 2022. The entity to receive funding for this project is the Waianae Community Redevelopment Corporation, located at 86-148 Pūhāwai Road, Wai'anae, Hawai'i, 96792. The funding would be used for constructing a new state of the art post-harvest packaging and processing facility for MA'O Organic Farms, which is critical for them to be able to keep up with their expanded production. MA'O Farms also offers community education programs and they partner with the local university to educate and empower low-income youth to improve their social and economic opportunities through practical and work-based internships.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely
